at Hagenow airfield, which were to be provided with showers and central heating facilities, were to be accepted on 17 September. It could not be determined which unit was to move into these buildings. The border guard post in Horst, 6 km west of Boizenburg, was allotted 12,800 eastworks for enlargement and repair work on 15 August. The border guard post in Wittenburg, 14 km northwest of Hagenow, put in a requisition for 5,500 meters of barbed wire, 22 cubic meters of poles and 25 Schraegstrahler (literally: inclination arc lamps) on 15 August. On 22 August, Unit appropriated a total sum of 54,000 eastmarks for the border guard posts in Dassow, 7.5 km northeast of Schoenberg; Herrnburg, 6 km southeast of Luebeck; Boize, 13 km northwest of Littenburg; and Boizenburg. The same unit allotted 34,000 eastmarks for the construction of a wooden barracks building for a new border guard post to be established in the Doemitz-Mittenberge area. (5)
